# Nury's Anecdote

\*Read the anecdote and order it in the correct sequence.

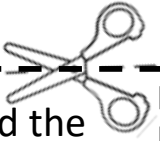

1.

2.

3.

a.

Then, the principal of the school called the firefighters and finally helped us to get out because the mud was almost to our waist.

b.

On a rainy day, my mom took me to school and I had a terrible accident. First, when I started walking a few steps, I sank into a big hole that was covered with mud. It seemed like a swamp!

c.

Suddenly, a teacher heard my trembling voice, and tried to help me but he also sank. Next, when we were trying to get out, we sank more and more.
