 Look,  Read, and  Write.

*If you want to know more, you can investigate by yourself.

A.

1. _____

This carved rock shows how Aztecs registered time. It consists of four rings that illustrate how this civilization counted months, years and sun cycles. It is known as the Aztec Calendar.

B.

2. _____

In ancient Aztec mythology, this is a god of art, beauty, dance and songs. He is also the patron of writing and painting. The figure sits head tilted up, eyes open, jaw tensed, with his mouth half open and his arms open to the heavens.

Egyptian Jewelry

*You can use a dictionary.

This precious Egyptian piece of jewelry was worn by the most important people. It was worn around the neck and, since the materials it is made of, are heavy, it couldn't be worn for a long time. The necklace was made of leather, gold, colored beads and silver thread, it was a very expensive and rare item.

1. Who wore the jewelry?

2. How long could they wear it?

3. What materials was it made of?
