# Paragraph on Discipline

Activity 4

### Schools Teach us Discipline

Teachers, parents and elders help us to learn and follow rules.

We must try to be disciplined in our classroom and on the sports grounds. Discipline is important.

Friends can also teach each other ways to follow rules and behave properly.

### CLASSROOM RULES

Always do your best

Be respectful

Remember your supplies

Listen

Raise your hand to talk

Tell the truth

Be a friend

Never Give Up!!

1. Who teach us discipline? \_\_\_\_\_.

2. Is discipline in the classroom important? \_\_\_\_\_.

3. What can friends teach us? \_\_\_\_\_.

## 6th Grade Unit 6

# Bullying

Look and

Complete.

1.

## Waste Solutions

### What are we going to recycle?

The school has decided to recycle as much as possible. There is going to be a paper collection system for each class by making “paper only” boxes for the students to put in used paper, for example. Students Are going to be encourage to bring reusable packaging for school lunches.

### Where are we going to put the recycling bins?

Students are going to place bins in the yard, Cafeteria, and by the entrance to the school.

### How many recycling bins are we going to have?

There are going to be a total of twenty recycling bins in the school.
